BOURNE, INC., GROUP HOME CONTRACT COMPLIANCE MONITORING REVIEW

The Los Angeles County Department Children and Family Services (DCFS) Out-of-Home Care Management Division (OHCMD) conducted a review of Bourne, Inc. (Bourne) in December 2011, at which time they had two six-bed sites and 12 male placed children.

Bourne, Inc., is located in the Fifth Supervisorial District, and provides services to Los Angeles County DCFS foster children and Probation youth. According to Bourne's program statement, its stated goal is to "serve court dependent, abused, neglected, and emotionally disturbed male children." Bourne is licensed to serve a capacity of 12 children, ages 13 through 18.

For the purpose of this review, four currently placed DCFS children were interviewed, and their case files were reviewed. The placed children's overall average length of placement was four months, and the average age was 16. Three discharged children's files were reviewed to determine if the destination of placement was per their permanency plan and if the children were meeting their Needs and Services Plan (NSP) goals at the time of discharge. Three staff files were reviewed for compliance with Title 22 Regulations and County contract requirements. At the time of this review, there were no Probation children placed.

"To Enrich Lives Through Effective and Caring Services"

Two children were prescribed psychotropic medication. We reviewed their case files to assess timeliness of psychotropic medication authorizations (PMAs) and to confirm documentation of psychiatric monitoring was maintained as required.

SCOPE OF REVIEW

The purpose of this review was to assess Bourne's compliance with the County contract and State regulations. The visit included a review of Bourne's program statement, administrative internal policies and procedures, four children's case files, and a random sampling of personnel files. A visit was made to both facilities to assess the quality of care and supervision provided to children, and we conducted interviews with the children to assess the care and services they were receiving.

A copy of this report has been sent to the Auditor-Controller (A-C) and Community Care Licensing (CCL).

SUMMARY

Generally, the children interviewed reported feeling safe at Bourne, Inc., Group Home. They also reported being provided with good care and appropriate services, being comfortable in their environment, and were treated with respect and dignity.

Our review of Bourne, Inc., identified no concerns. Therefore, no Corrective Action Plan (CAP) was required.

NOTABLE FINDINGS

- There were no notable findings.

FOLLOW-UP FROM OHCMD'S PRIOR MONITORING REVIEW

Objective

Determine the status of the recommendations reported in our prior monitoring review.

Verification

We verified whether the outstanding recommendations from our prior review were implemented. The last report was issued November 8, 2010.

Results

The OHCMD's prior monitoring report contained two outstanding recommendations. Specifically, Bourne was to ensure that NSPs were comprehensive and addressed all the required elements in accordance with the NSP template. In addition, Bourne was to ensure that monthly contacts with DCFS CSWs were documented. Based on our follow-up of these recommendations, Bourne fully implemented the recommendations.

MOST RECENT FISCAL REVIEW CONDUCTED BY THE AUDITOR-CONTROLLER

The Auditor-Controller (A-C) issued a fiscal report of Bourne, Inc., Group Home's operations, dated May 22, 2008. The fiscal review identified \$29,238 in disallowed and unsupported/inadequately supported costs. Of this total, \$21,283 were inadequately supported credit card charges for department stores, gasoline and other items. In addition, it was recommended that DCFS and Bourne work together to resolve some potential overpayments. Bourne submitted its response to the A-C's report to the DCFS Fiscal Monitoring Section, which will in turn, prepare a Fiscal Corrective Action Plan and submit it directly to Bourne's Board of Directors.
